Description

A rare set of twelve Dutch Art Deco solid silver spoons. They are hallmarked with the sword mark and a makers mark and date to c1920. They have been superbly designed with the terminals being number 1 to 12. They are in super condition being free from dings splits holes and repairs - possible repair to the back of number 6. They measure approx. 4.25 inches (11cms) long by over 0.75 inch (2.4cms) wide and have a combined weight of 114 grams. Superbly made rare examples.

Internal Ref: 17991
