Description

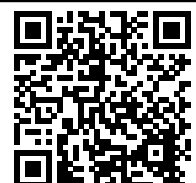

A wonderfully rustic antique pine chest of drawers of shallow proportions. This pine chest has an incredible look to it and has an arrangement of three long graduating drawers, each with Georgian style brass handles. The rustic antique pine chest is raised on bracket feet. Due to its shallow proportions, this rustic antique pine chest would work particularly well in a rustic farmhouse kitchen or utility room and even as a console table in a hallway. Item Ref; M-2724 . DIMENSIONS: Height – 88.5cm / Width – 108.5cm / Depth – 36.5cm . CONDITION REPORT: In rustic antique condition throughout with various signs of age. There is surface wear throughout including age-related marks, scratches and staining to the top and to the drawer fronts (pictured). There is evidence of old historic woodworm throughout – this is long gone and has been fully treated as a precaution. The rustic antique pine chest remains structurally solid and sound with the drawers running well. Overall, very rustic but incredibly charming. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time...
