Carved limestone pedestal in the form of a castle

Price

Sold

Item Reference: SA824044

Date of manufacture: 1900

Dimensions

Height = 58 cm (22.8")

Width = 44 cm (17.3")

Depth = 31 cm (12.2")

Description

This charming hand-carved limestone pedestal in the form of a castle would look terrific in a garden nook or within a conservatory. Whether it is used as a support for plants or as a stand alone feature, it will undoubtedly draw interest and be a talking point for visitors. As you would expect, this castle has a somewhat weathered appearance, however, without these imperfections it would lose some of its appeal and character.
