Description

This good Old Sheffield Plated toast rack, dates to c1810 and is of good heavy quality. It stands well on four ball feet and holds six slices. It is of a beautiful looping design to the dividers. In good condition but as expected for a piece of this age has some copper bleed to the struts and is slightly misshapen but this adds to the character of the object. Length approx 15cm Depth approx 10.5cm. Total Height approx 13cm Height to top of struts approx 8.5cm Weight approx 320g.
