Depth = 37.5 cm (14.8")

Description

Royal House Antiques is delighted to offer for sale this stunning extremely rare original mid-Victorian Apothecary or Haberdashery cabinet. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote, please send me your postcode and I'll provide you with the exact price. This is a rare cabinet, a very rare survivor, highly collectable, with all original water glass and thick glass shelves. The shelf brackets are all removable and fully height adjustable, glazed to the side as well to allow light in from all angles, this would be the world's coolest display cabinet or a very decorative bookcase. It naturally splits into two very easy to transport pieces, it is very heavy as the glass is exceptionally thick. We have cleaned waxed and polished it, the glass has been razor edge cleaned. There are some rough edges to the glass shelves, some chips and some curved sections in the back look to have been rough cut out on purpose although I'm not sure why. I can have them safety polished, replaced if the new owner wishes for cost price however I have left them as they...
