Description

This is a super antique Victorian silver plated novelty cruet set in the style of a ram with a harness which holds the mustard and pepper pots and the salt is styled as a trough. The mustard and salt both have spoons though I'm not sure they are original but they do a perfect job. It's in super condition with no damage. It measures 5 1/4" (13 cms) tall to the handle and the base is 5 3/4" (14.5 cms) x 3 1/4" (8 cms). Free worldwide fully insured shipping included
