Description

A stunning antique Art Nouveau table top mirror in solid brass. This was made in England, it dates from around 1890-1910 period. The quality is amazing, this is beautifully crafted and has gorgeous decorations. The inset mirror is bevelled & looks as if it may have been added later as it is very slightly loose in the frame. It is great for use as is, or the mirror can be removed to use this as a photo frame. The overall condition is excellent, with just some minor surface wear and a lovely patina.
