Description

This is a late Victorian golden oak sideboard with a triple mirror back. The pictures tell the story as you will see it is in wonderful condition as purchased from a private house where I took the pictures in situ. The color is just wonderful golden oak with a nice original patina finish, this sideboard has been well cared for all its life. The base has 3 drawers and 4 cupboards. 2 of the doors have quality crisp carved panels. The draw handles are heavy quality brass drop pulls. This sideboard will grace any room or entrance hall. It is 7 feet 3 inches tall. 6 feet wide. 2 feet deep. Circa 1890/1900.
