Description

A beautiful very stylish solid sterling silver buckle. It is hallmarked SILVER and tests as sterling silver, the makers mark being AA. I would date it to c1940-1950. It has been superbly designed and is in superb condition being free from dings splits and repairs. It measure approx. 5 inch (12.7cms) across by 2.5 inches (6.3cms) and weighs 46 grams. A beautiful very high example.
