## Description

A superbly designed rare cased sterling silver and enamel napkin ring. It is hallmarked for London 1925 with the makers marks being GS. It has been unusually designed being guilloche enamelled in vibrant yellow - all very Art Deco. It is in superb condition being free from dings splits chips cracks and repairs. The case is also superb. The napkin ring measures approx. 1.5 inches (4.1cms) wide by 1 inch (2.7cms) tall and weighs 18 grams excluding the case. A very well designed rare example.
