Description

This is an antique medical consultant's bench with stirrups. An English, leather over oak massage or beauty treatment table, dating to the Edwardian period, circa 1910. Fascinating adjustable treatment table from the early 20th century Displays a desirable aged patina throughout Striking red leather dressed over a comfortably stuffed cushion The leather pleasingly tanned and accentuated with press stud trim Adjustable head rest for ease of comfort Pair of sliding stirrups to the end for taller clients Standing upon tall square section legs of slightly tapering form This is a distinctive antique medical consultant's bench, with an eye-catching leather finish and useful adjustable back rest. Solid joints and construction, delivered waxed, polished and ready for the use.
