Description

A beautiful painted pine large armoire, with original paintwork, in good condition for its age dating from the mid 1800s. This armoire dismantles - in that the top and bottom can be removed and the main body splits in two down the middle. The doors are panelled and painted with lovely floral images and the original double lock is in full working condition. The door hinges are external French style so the doors open fully wide. The two drawers at the bottom have original ring pull metal handles and these are also painted with floral images. Inside are wooden pegs which drop down to lock the drawers. It sits on block feet which could be removed if required to lower the height. We will fit a new brass hanging rail inside or alternatively we can fit shelves inside if you wanted to use it as a cupboard. The price is £1,750. Height 76.5", Width 66.5", Depth 21", Internal depth 17.5"
