Description

A beautiful French solid sterling silver beaker cup. It is hallmarked with the French 950 silver standard mark and a makers mark double struck. I would date it to c1900-1920. It has been superbly made having a classical Art Deco design with applied shell motifs. It is in superb condition being free from dings splits holes distortions and repairs. The inside is perfectly clean and usable. There are no engravings or erasures. It measures approx. 2.5 inches (6.5cms) wide at the rim by over 3 inches (7.8cms) tall and weighs 102 grams. A beautifully made impressive piece.
