Description

Antique Edwardian Coal Purdonium Cabinet. A lovely Art Nouveau coal Purdonium fireside cabinet, ideal for open fires. We bring to you this excellent condition antique Edwardian (circa 1900's) Art Nouveau solid Walnut coal purdonium cabinet ideal for any period property. This well-made cabinet features a solid brass polished dropper handle, moulded edges, reeded door frame and is complete with a floral carved panelled cabinet door in the Art Nouveau style. This simple but elegant purdonium features a lovely rich walnut colour with the original polish and patina. This cabinet comes complete with the original metal lift out coal carry liner (which is unusually in almost perfect condition with no rot) making it ideal for neat mess-free storage of coal or kindling. This fantastic-looking cabinet is also an ideal side, lamp or occasional table as it has quite a small form and is very ornate. We have sympathetically restored this item maintaining original patina by just carefully waxing this item to enhance the French polished surface and preserve it for many years to come. Please note this item is in very good condition for its age but will have the odd blemish h...
