Depth = 28.5 cm (11.2")

Description

This is a pair of antique fireside bins. An English, copper coal or fire bucket, dating to the Victorian period, circa 1860. Wonderfully unusual as a pair with superb colour. Displaying a desirable aged patina and good antique order. Copper body presents beautiful orange hues and tonality. Bronze handles mounted upon shaped backplates with rivet bonds. Base to both engraved with the initials B.B.C. This is a superb pair of antique fireside bins, graced with great colour and holding rare interest as a fireside pair. Delivered polished and ready for the fireplace.
