Description

A good pair of Murano handkerchief vases in the manner of Biaconi/ Venini but unsigned and in very good condition. I acquired them from the estate of Audrey Playdell-Bouverie (1902-1968) who through her mother was the illegitimate granddaughter of Edward VII. In 1940, Audrey Playdell Bouverie bought the beautiful house and estate called Julians Park, located in Hartfordshire and decorated the house with beautiful antiques and collections of objet d art. Recently the house and contents came to the market. We can deliver free of charge in UK mainland and quote for international delivery Payment by bank transfer or PayPal
