Description

Mid-size Bulova wrist watch, 1948. The watch has a good quality 21 jewel hand-winding movement which is working nicely. The movement is fully signed and the date code dates it back to 1948. The watch measures 21mm wide excluding the winding crown and 31mm high excluding the protruding lugs. The case is 10k gold filled. The front and sides are in good condition. Some surface marking to the back but not too detrimental for such an early piece. The faceted lens is in good condition. The signed dial is in its original finish with original hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
