Description

A beautiful high quality solid silver trinket or snuff box. It is unmarked but tests as high grade silver, almost certainly Dutch. I would date it to c1920. It has been beautifully designed having a tavern scene to its lid with vibrant internal gilding. It is in super condition being free from dings splits holes and repairs. It measures almost 3 inches (7.6cms) wide by 2.25 inches (5.8cms) by 0.75 inches (1.8cms) tall and weighs 55 grams. A beautifully made piece.
