Description

Gents 1960s Garrard wrist watch. The watch has a good quality automatic ETA movement which is working nicely. The watch measures 35mm diameter excluding the winding crown and the lugs so a good wearable size. The case is stainless steel and it is in very nice condition. The screw-on case back has a 1967 long service inscription. The lens is in good condition. The signed dial is in its original finish with original hands, seconds sweep and outer minute markers. A new leather strap has been fitted (there is a small black mark to the end where it joins the watch but not visible when being worn). The watch comes in a Garrard presentation box.
