Description

This fabulous solid silver bowl which can be used as a small Champagne or wine cooler is fully hallmarked for 1919, is made by silversmith Edward Barnard & Sons Ltd and is a very good weight at 906 grams. This stylish antique bowl has a beautiful hammered effect, features 2 lion heads with rings as side handles which have good detail, a stepped base and the bowl is big enough to hold a bottle of wine. Would also make a wonderful punch bowl. A quality piece that looks wonderful on display and a very nice usable item. Condition: Excellent antique condition with only very light signs of use in keeping with age. No damage, breaks or splits.
