Description

A generously sized 19th century nursery fireguard with brass top rail. The condition is good, there are a couple of very minor irregularities in the wirework, these are in no way detrimental and can be clearly seen in the photographs. A good example of an essential item in the Victorian country house. c.. 1850 Width: 51" 130 cm Depth: 12" 30.5 cm Height: 27.5" 70 cm
