Description

A magnificent, solid, very well made antique pine wardrobe dating from the mid 1800s. In excellent condition for its age, totally dismantles for delivery. There is attractive, delicate, detail to the door panels and side edges, a large decorative top, with curved edges, and it is stood on tall grand bracket feet. The sides both have double panels. The original lock and key are fully working. Recently stripped to the bare wood, ready for waxing or painting. In our opinion this would look beautiful painted, and would make a very eye catching piece. The fitting of a new brass hanging rail is included in the price. As this is a tall wardrobe there is room to put a shelf at the top above the hanging rail if you would like one. With an internal depth of 20.5" deep enough to accommodate large coat and suit hangers. Can be purchased in the bare wood for £1,250 or wax polished for £1,400. Height 85", Width 70", Depth 25", Internal Depth 20.5"
