Description

A superb 17th Century serving table with a fabulous colour and exceptional patination to the single board of solid elm to top with rebated border and nulled frieze. The original long oak lined drawer with raised geometric collection mouldings and heavy bronze handles. . The table set on expansive oak cup and cover carved front legs and joined with beautiful bobbin turned stretchers. . Lots of dings, dents and marks consistent with its great age, old worm holes but long since dead and not affecting structure. Mostly original but with repairs, restorations and some replacements . A really beautiful, substantial, usable and early oak and elm side table. . . Dimensions are: . Width is 56.25 inches, depth is 25 inches and height is 30.5 inches . For metric please multiply by 2.5
