Description

This is a very nice quality set of Georgian drawers. Overall condition is very good with a minor repair to the front left beading (barely noticeable). The piece has period brass handles and the overall patina is stunning. Although these are late 18th century in age the design is classic so really would work well in a number of interiors. The drawers all run smooth as well. Height 94cm Width 94cm Depth 49cm Price includes UK mainland delivery
