Description

An attractive early 19th century oak lowboy. The oak side table has an arrangement of one long drawer above two short drawers with a central arch. There is decorative inlaid detail to the two front legs. A rather lovely table. Item Ref; M-2698 . DIMENSIONS: Height – 75cm / Width – 76cm / Depth – 47cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age related marks and staining to the top (pictured). There are also some shrinkage splits forming to the top. The brass knobs appear later and there is a small loss to the beading around the arch. The antique oak side table remains structurally solid and sound. A rather delightful piece.
