Description

An attractive 19th century antique pine cupboard. The pine cupboard has two fitted drawers, each with decorative brass handles. Below are two blind panel cupboard doors that open to reveal a single shelf. The cupboard doors are flanked by decorative reeded columns. The antique pine cupboard is raised on four turned bun feet. A well-proportioned example with good colour and patina. Item Ref; M-2731 . DIMENSIONS: Height – 86cm / Width – 102.5cm / Depth – 49.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including some age-related marks to the surface top (pictured). The antique pine cupboard remains structurally solid and sound with the drawers running well. There is evidence of old historic woodworm in places (mainly the feet) – this is long gone and has been fully treated as a precaution. Overall, a rather charming and well-proportioned antique pine cupboard. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report.
