Description

We are proud to offer for sale these beautiful chemist drug cabinets. One of set of three. Purchased from an Edinburgh chemist that had owned the cabinets from when they opened in 1902. Tops, sides and draws are made from the highest quality mahogany with the names of the drugs painted on the front of the draws in Latin. They are finished with shaped glass handles which have survived the test of time. It is very hard to find these cabinets in any size but near impossible to find in these small, neat dimensions. These will add charm and useful storage to any Kitchen or, retail space.
