Description

A superbly modelled rare solid silver pepper pot. It is hallmarked with the Dutch sword mark that was used between 1906-1953, with the makers marks being HH, I would date this piece to c1910. It has been superbly designed being made in the form of a Dutch boy. It is in super condition being free from dings splits holes and repairs. It measures approx. 3.25 inches (9.6cms) tall by 1.75 inches (4.2cms) wide by and weighs 36 grams. A very high quality very unusual piece.
