Description

Nineteenth century Teke Turkmen rugs don't get much better than this! The soft, lustrous natural-dye wool and the soft rose-red ground, complete with knotted-pile elements, rank this rug amongst the very best of type. The central field contains three vertical rows of nine Teke guls in each and, bar a few minor areas of expert restoration, the rug is in excellent overall condition. Size: 1.75m x 1.22m (5' 9" x 4' 0").
