Depth = 24 cm (9.4")

## Description

A Beautiful Arts & Crafts Copper Fire Insert With and it's Oak Fire Surround. Lovely decoration and finish. Lion salient to the central canopy flanked by heraldic shields and bulls eye motifs to its edge. The surround has been stripped back to its natural oak finish. I personally love it but it could be darkened with oil, wax or stain if so wished. I would prefer to keep the insert and surround together. Price is for both items.
