Early 20th century large pair of candlesticks

Price

Sold**Item Reference: SA829501****Date of manufacture: Edwardian**

Dimensions

Height = 92 cm (36.2")

Width = 16 cm (6.3")

Depth = 16 cm (6.3")

Description

Early 20th century pair of candlesticks with round removable trays to the top. With stylised Corinthian column tops going into reeded columns finished on a six step black base. I have left these in the flat finish which is flat brass blue with a highlight of brass coming through. I think the finish looks really good and it would be fairly easy to highlight to brass if needed. st 3118

Internal Ref: 3118
