Description

A stunning pair of original Art Deco period cloud back armchairs by Harry & Lou Epstein. These were made in England, they date from the 1930's period. They are of superb quality, they have an extremely impressive design and they are very, very comfortable. We have had these fully restored, they are in superb condition for their age. The burr maple banding and the feet have been stripped and re-polished to a very high standard, and they sit on original casters. These have also just been fully re-upholstered in our cream leatherette, which look and feels exactly like leather. It is even more practical than leather, as it wipes clean easily and is much more durable. Width – 29 inches , 73 cm Depth – 36 inches , 90 cm Height – 33 inches , 80 cm Seat height – 17 inches , 44 cm
