Description

A stylish wide Victorian hinged silver cuff with raised granulated detail. A very wearable contemporary piece. The bangle is hallmarked for sterling silver, Birmingham, 1882, and bears the sponsor's mark H&T with a star. The bangle is in good antique condition; there are several small cosmetic dinks and scratches across the surface but no significant dents and nothing which impacts the overall look of the piece when worn. Both the hinge and clasp are in excellent working order, the bangle opens easily when you press and slide the catch, and clicks shut securely. Size: The internal circumference is seven inches (just short of 18cm); width 3.1cm. Weight: 40.8g. FREE INTERNATIONAL SHIPPING!
