Description

An excellent example of an early 19thc mahogany bow front chest of drawers c1820. The classic design consists of 5 drawers, tore handles (knobs), cock beading round the drawer fronts, outswayed feet, locks in each drawer and on top of this, there is a key which fits the locks. The colour and condition is superb. No splits, burns or deep scratches, a good back, mahogany lined drawers with central stretcher. All in all a very sound classic piece with good pleasing proportions and colour.
