Description

This Sheraton revival cabinet is in good original condition. It has had a clean and has been rewaxed ready to start a new life in a new home. Nicely inlaid even up the legs with their spade foot it has a classic Sheraton style handle on the useful little drawer and a brass twist catch on the door, both operational. This is a very versatile little cabinet, dating from the early 1900s or possibly late 1800s, it can be a bedside cupboard or a lamp table or even a little hall table, great for keys and gloves etc. A lovely little cabinet at a sensible price. Overall height is 82cms with the gallery and the top sits at a pretty normal 77cms. Other sizes below.
