Description

Silver mid-size wrist watch, 1935. The watch has a Swiss 15-jewel hand-winding movement which is working nicely. The watch measures 22mm wide excluding the winding crown and 30mm high excluding the lugs so it is really classed as a mid-size piece. The case is silver and there are hallmarks inside the hinged case back for Glasgow (import mark), 1935, and a mark for the assay agent J Véron Grauer & Co. The case is in good condition with just light surface marks, nothing serious at all. The curved lens is in lovely condition. The dial is in its original finish with feuille shaped blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes with a vintage dark brown leather strap. The watch comes in a vintage presentation box from the jeweller and diamond merchant Herbt Wolf of London, Manchester and Liverpool.
