Description

A neat antique Georgian oak side table or lowboy table. This well-presented antique oak side table has a two plank oak top and a single fitted drawer with two brass drop handles. The side table is raised on four square and turned legs with straight stretcher supports. An attractive Georgian oak side table with lovely colour and grain to the top. Item Ref; M-2811 . DIMENSIONS: Height – 61.5cm / Width – 87.5cm / Depth – 49.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks to the top (pictured). The Georgian oak side table remains structurally solid and sound with good tight joints and the drawer running well. There are some losses to the back edge of the top surface and evidence of old historic wood worm – this is long gone and has been fully treated as a precaution.
