Description

A very pretty Victorian silver hand mirror. The proportions are lovely as although petite, it is slightly larger than the average petite hand mirror; and could fit into a handbag (length: 12.7 cm). The back is beautifully decorated with flowers, swirls and criss-cross design chasing. Hallmarks are visible on the silver for the Birmingham Assay office with a date mark for 1896, Lion Passant and the silver maker's mark: Lawrence Emanuel. The original bevelled mirror is nice and clear. A stunning item of silver, and rare to find one of this size; a wonderful gift! Condition: The silver and the mirror glass are in great condition. Hallmarks: Birmingham 1896 by Lawrence Emanuel. Measurements: Length: 12.7 cm Width at widest part: 5.2 cm Weight: 49.8 grams. Weights and measurements are approximate.
