Description

A Fine Quality Carved Oak 8 Day Regulator Wall Clock By GH & C Gowland, Sunderland c.1860. The beautifully proportioned small sized case constructed from finely patinated and figured quarter sawn oak. The arched top style case with the original glazed trunk door and arched glazing to the sides, decorated with exhibition quality carved climbing roses to the door frame emanating from a intricately carved basket to the lower door. The shaped and moulded base further decorated with high quality rose carvings and rosebud finials, a matching carved mask beneath the dial. The quarter sawn oak figured backboard with silvered brass beat scale. Two original door locks with keys and the original hinges. The 9" circular engraved silvered brass dial with outer minute track and Roman numerals, signed to the dial GH & C Gowland, Sunderland, cast brass sighting ring surrounding the dial. The fully restored movement of eight day duration, united by four turned pillars. with Harrison's maintaining power and deadbeat escapement. Polished brass cylindrical weight with ornate fretted pulley and blued steel screws. The faux mercury jar style pendulum with brass frame, knurled ratio...
