Description

A beautiful Mid Victorian burr walnut veneered dressing table from the 1860's. With a single blind drawer to the centre section and undershelf supporting the carved cabriole legs. This piece has been recently re-polished and is in super condition. The mirror is original and has blemishes as you would expect but all adding character and we think it better to keep it within the piece. The burr walnut top and front section has super book moulded veneers, obviously hand picked for their beauty. All cleaned and wax polished ready to use.
