Description

Wow! We love antique Ushak carpets and especially when they are as vibrant and as exciting as this one! Rich oranges, greens, golds and ivory hints, with a bold abstract design. This is what makes these late 19th century Turkish carpets so appealing. A really exceptional Antique Ushak carpet to furnish with in a large drawing room, or dining room adding rich warmth and character. Some minimal wear to this huge antique decorative Ushak, which is around 140 years old. Please request a home visit if you would like to view this wonderful antique Ushak carpet in your own home. We love to travel all over the UK visiting customers and working with interior designers, we would be more than happy to show you this carpet in situ and many more carpets to see which best suits your interior.
