Description

A stylish late 19th C Small Japanese Hardwood Wine Table This beautiful hand carved Japanese hardwood wine table or stand is made from rich dense timber. The outwrept legs are carved in the form of bamboo stems as are the stretchers. Above there is an intricate frieze of carved bamboo leaves with a top section also simulated in the same manner. The top is inlaid with a circular tablet of figured marble. A stylish and well-made table which would be very functional for using with drinks. Circa 1900
