Description

Rene Lalique opalescent Butterscotch Moineaux clock Marcilhac page ref 369 Introduced 1924 Moulded mark R Lalique The condition is very good with do damage or faults to the glass case. The ATO movements that are fitted to these clock are electric and were fitted with a battery. As I am not a clock specialist I cannot guarantee the movement of the clock but the clock has been recently fitted with a new battery carrier and rewired. It is now in working order and appears to be keeping time.
