Description

Standing just over 30 cm tall we offer for your consideration is this exceptional 1930's Art Deco glass vase, and what a gem it is! It really does pack a punch being very tall and elegant and with the most glorious geometric decoration. Features olive coloured glass with jet black enamel decoration with etched detailing, heavy, real quality and with no damage, just the odd bubble in the glass from when it was made (but for 90 odd years old we think that's pretty amazing). Made In the Czech Republic, original vintage etched enamel artwork. Pure class. Free UK mainland Delivery
