Depth = 333 cm (131.1")

Description

A Super William IV Extending Dining Table in Mahogany with three original extension leaves, it has a split centre pedestal and when it is extended the two halves of the pedestal move apart and become the supports for the ends of the table these are on castors to facilitate extending the table, the leaves are held together with brass clips. It can be used with any combination of leaves, one, two or all three or even without leaves as a round dining table. The condition is excellent in fully restored condition, the Mahogany figure on the top is fantastic. circa 1835
