

SA833187

Brass scallop shaped paperclip

Price

Sold

Item Reference: SA833187

Date of manufacture: Victorian

Description

This has to be the best paperclip I have seen. It is in the shape of a scallop shell with the most amazing detail. The top of the clip has also been decorated with shells, again the detail is just wonderful. It is in great condition with a good spring inside. L 9 cm W 6 cm
