Description

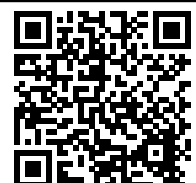

A very striking and unusual Edwardian open armchair, very similar to the style of Cornelius V. Smith. There is nothing straight about this chair, the design is based on curves from the oval seat to the rounded inlaid back to the scrolling arms and stretchers and elegant legs. The chair has been professionally reupholstered in a sunshine yellow velvet, this picks up the beautiful inlay in the back and is in perfect harmony with the rich mahogany. The condition of the chair is very good, it is solid and stable with no wobbles. A statement chair that is guaranteed to add impact wherever it is placed. c.1910 Height: 38" (96.5cm) Width: 25.75" (65.5cm) Height of seat: 17.5" (44.5cm) Depth of seat: 17.25" (44cm)
