Description

A superb and very rare original Art Deco period mirrored occasional table. This was made in England, it dates from the 1930's. This is a glass table that has been in use for nearly 100 years, so it is not perfect but is in very good condition for its age. There are various small surface marks to the top circular piece of mirrored glass, and some slight wear to the silvered backing on the edges of the top. The edges and base are made from hundreds of small individually placed glass pieces, most of which are in good condition. There are just three with very small cracks and one of the top edge pieces has a very shallow chip to the edge. These are barely noticeable due to the mirrored effect, and this has a gorgeous overall look and patina. This is a great size for use as an occasional table or coffee table. Width – 71 cm , 28 inches Depth – 71 cm , 28 inches Height – 61 cm , 24 inches
