Description

For your consideration is this delightful 1930's Art Deco Flapper girl hat pin holder. Dressed in the fashion of the day and part of the half doll, pin cushion family this beautiful figure is in great vintage condition. Beautiful colouring to her delicately painted features and blushed cheeks. She sits on a rock with open holes to house hat pins. In her hand is a hole to take an umbrella, these are easily sourced and I can provide one if you would like it. She's in great condition and free from any damage to include restoration old or new, cracks, hairlines, chips etc. Originally these figures were given out at local fun fairs, seaside resorts as souvenirs and general gifts. Still today though the better examples such as this one aren't easy to find. FREE UK MAINLAND DELIVERY
