Description

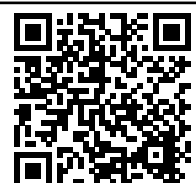

An antique beech and elm spindle back Windsor armchair or farmhouse chair. The Windsor armchair has a spindle back and shaped arms raised on turned supports. The solid elm seat has a wonderful grain pattern and is raised on four turned legs with a double H stretcher support. The Windsor armchair has a good rich colour and patina throughout. Item Ref; M-2699 . DIMENSIONS: Height - 112cm / Width - 63cm / Depth - 62cm / Seat Height - 46cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including some age-related marks to the seat and arms (pictured), but overall, the chair remains in good condition. The Windsor armchair remains structurally solid and sound with good tight joints. Finished with a fresh coat of natural wax. A rather good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
